Call the Helpline on **0303 123 9999** to sign up for the braille, audio, large print or email formats. You can also subscribe to our regular eNewsletter to hear about new and existing products by email.

---

# Lighting

Good lighting can make any task easier, and we've got a wide range of lights. Choose from floor lamps, magnifying lights and portable lights like this one:

## Daylight Twist 2 Go portable lamp (DH467)

Use the Twist 2 Go to illuminate daily tasks and hobbies. The rechargeable battery means you can use this light anywhere. One full charge of the battery will give you up to eight hours of consistent and continuous brightness.

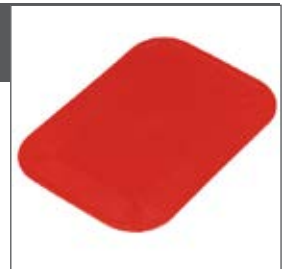

---

# Kitchen

Whether you want to whip up the perfect Victoria sponge or just make a cup of tea, check out our accessible kitchen range.

## Red dycem mat (DK81)

Hold plates, mixing bowls and chopping boards in place with this non-slip mat. Can also be used as a non-slip tray liner.

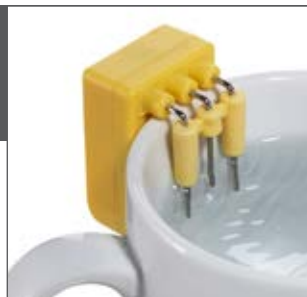

## Talking kitchen scales and easy-to-see measuring jug set (DK152)

These talking kitchen scales come with an easy-to-see measuring jug, which has bold markings and an easy-grip handle. Measure by weight or volume (up to 5kg or 1,300ml) and hear the result in a clear male English voice.

## RNIB Liquid level indicators (DK127 and DK139)

Our liquid level indicators have been helping people with sight loss get their morning cuppa for more than 25 years. Simply place on the side of a cup and a series of audible beeps will let you know when the liquid nears the top. The DK127 indicator also vibrates. Can be used with both hot and cold liquids to fill pots and pans, kettles and glasses.

# Health and wellbeing

Look after yourself with our range of healthcare products. Keep on top of medication routines, make sure your hair is just the way you want, or check your weight.

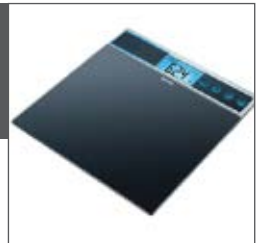

## Talking ear and forehead thermometer (DH440)

This talking thermometer measures your temperature from either your forehead or ear and announces the reading within two seconds, in either degrees Celsius or Fahrenheit. It can also measure room temperature and store up to 30 measurements for 30 days.

## Beurer GS39 glass talking bathroom scale (DH433)

This Beurer scale not only speaks your weight but can remember the last measurement of up to four people.

This scale can announce your weight in five languages and has adjustable volume (including silent mode). In English mode, it will convert between kilos, pounds and stones.

## Opticare eye-drop dispenser (DH112)

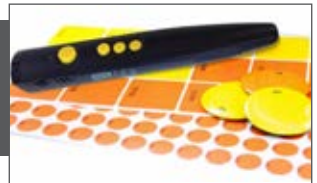

Clip this dispenser on to your eye drop bottle to make applying eye drops easier. Simple to use, the Opticare accurately and safely targets the eye and helps you to squeeze your eye drop bottle with minimum pressure. Fits most round eye-drop bottles from 5-15ml and supplied with an adaptor to make it compatible with many non-standard bottles.

## Labelling

We've got many years' experience providing essential products to help you identify items around your home. Choose the mix of solutions that best suits you:

### RNIB PenFriend 3 audio labeller (DL121)

Our easy-to-use labelling device lets you record your own voice on to sticky labels which you can attach to a wide range of items, from spice jars to CDs and clothing to tinned food. Simply play back the recording for

easy identification. Comes with 127 mixed-size sticky labels and 10 magnetic labels, which allow you to leave handy reminders or notes on your fridge door. Additional labels, including special laundry labels, are also available.

## Tactile bumps

Tactile bumps are small rubber adhesive buttons that provide you with a simple and effective way to label everyday items.

Add them to your washing machine to identify the different settings and functions, and to your oven/hob dials to mark different temperatures, or mark important keys on your computer keyboard.

Available in a variety of colours, including clear, black and orange. Our small, round, orange flat-head BumperStops (DL25) are our bestsellers and provide great contrast.

# Clocks and watches

Whether you're catching the bus, going on a hot date or heading to the dentist, we'll do our bit to keep you on time with our range of clocks and watches. Whether you want an easy-to-see, tactile or talking timepiece, we've got something to suit your taste.

## **RNIB talking watch** **(CW253/CW254)**

This high-quality talking watch announces the time in a natural voice at the touch of a button – or when you touch the glass for two seconds. It has a Swiss movement for excellent time-keeping, adjustable volume and no recessed buttons.

Easy-to-use, the watch hands automatically synchronise to the internal time set, so there is no need to manually set the hands or to rely on someone else to help you. A spoken menu guides you if you need to set the time or date, and if you want to set an alarm.

Available in two sizes and a range of colour options.

## RNIB Communiclock (CC53)

At the touch of one large button our talking calendar clock will announce the time in a natural male English voice.

Cube-shaped and without a traditional clock face, its simple design makes this clock easy for everyone to use. Press the button for longer and it will announce the time, date and day.

It's radio-controlled to automatically set the time for you, and has tactile buttons to set the alarm and calendar.

The battery compartment on the base is easy to open and if you would prefer to power the clock from the mains, a separate AC adaptor is available (CC53AC).

# Stationery

From easy-to-see lined notepaper and bold writing pens to large print and braille diaries, calendars and address books, we've a range of products to help keep you organised.

## Big Print wall calendar (DS0322)

This A3 wall calendar gives a month to view on each page. Large bold print and two columns on high quality paper make it easy to use. The calendar is wire-bound and has wire hook for hanging.

The Berol Colourfine (DW55) and Broad (DW54) pens are ideal for writing in your appointments and special occasions.

## Signature guide (DW42)

A black plastic frame that allows you to write your signature independently on cheques, letters and legal documents.

# Out and about

We offer a full range of canes – long canes, guide canes and symbol canes – as well as a range of eyeshields, which reduce glare and provide UV protection.

## Ambutech symbol cane (MS-SYMBOL-W)

Increase your confidence when you're out and about with a white symbol cane to highlight to other people that you are blind or partially sighted.

This reflective, lightweight aluminium cane folds into four sections. Not to be used as a walking stick or support aid. Available in three lengths: 85cm (34"), 110cm (40") and 105cm (42"). Red and white banded symbol canes which highlight both hearing and sight loss are also available.

# Reading

Embrace your love of reading. If you're struggling to read because of your sight, we've got plenty of solutions to help. Visit [rnib.org.uk/reading-services](https://www.rnib.org.uk/reading-services)

## RNIB Library

Join our free library and download or borrow a wide range of fiction and non-fiction titles in braille and audio or using our Alexa skill. You can also borrow braille sheet music. Visit **[rnib.org.uk/books](https://rnib.org.uk/books)**

## RNIB Newsagent

**If you'd like your magazines and newspapers in an accessible format, check out RNIB Newsagent.**

We deliver more than 200 popular and best-selling publications by email or through your letterbox in audio, braille or large print. Visit **[rnib.org.uk/newsagent](https://rnib.org.uk/newsagent)**.

## How to order from our shop

You can order online at **[rnib.org.uk/shop](https://rnib.org.uk/shop)** or call our Helpline on **0303 123 9999**.

**Please note:** some products in our range are non-returnable unless faulty.
